

# POLY PUMP COVER

## RST SERIES

### SADDLE TYPE POLY PUMP COVER

Protect your investment with a premium quality, Australian made pump cover available to match most tank colours. Penetrations can be made either end so that lid can still be removed. Lid can be fastened to base for additional security.

### ROUND TYPE POLY PUMP COVER & BASE

Top quality, Australian made poly pump cover designed to protect your pump and pressure controller from the harsh outdoors. Available in a selection of common colours to match most tank colours.

### FEATURES & BENEFITS

- Protects your pump and controller
- Australian made!
- Excellent value for money
- Most tank colours available
- Quality HDPE material

\* Colours are indicative only, and may vary in real life.
